## Arkansas Press Women Scholarship Application

APW awards a \$1,000 scholarship each spring to an undergraduate student – male or female – studying at an Arkansas college or university who is planning a career in mass communications or journalism.

Arkansas Press Women is an association of professional communicators in journalism, public information, business, education and government. We support each other through professional development, recognition and competition, networking among ourselves and through related organizations, and celebrating our triumphs and disasters together.
